**CPI Mortars Ltd**

It is the policy of CPI Mortars Limited to supply products which meet the requirements of customer specifications and ISO 9001: 2008

A Quality Management System has been established and the Company is committed to comply with the requirements of the system and to seek ways in which the effectiveness of the system can be continually improved.

Company commitment to the system is effected by:

- Communicating the policy to all appropriate personnel and ensuring that they understand it and accept responsibility for their actions
- Establishing and reviewing measurable quality objectives at management meetings
- Reviewing the quality policy at regular intervals to ensure that it continues to be suitable and relevant

Publication and issue of the Quality Management System and associated documentation is controlled by the Director of CPI Mortars Limited and no changes can be made without his authority
